

AI Integration Blueprint

**Map Your Workflows
Spot Inefficiencies**

What You Get

- ✓ Two 60-minute discovery sessions with your leadership team
- ✓ Targeted assessment of your current tech stack, workflows and team operations
- ✓ Pinpoint friction points, reduce inefficiencies and uncover untapped potential in your operations
- ✓ Includes an actionable roadmap outlining AI tools, automation workflows or SOP improvements tailored to your current state

Why It Works

- ✓ Tailored for the contract furniture industry
- ✓ Focuses on both quick wins and scalable strategies
- ✓ Aligns AI adoption with real business goals - not just tech trends
- ✓ Designed by a fractional leader with 20+ years of experience in design ops and emerging tech

Investment

Starts at \$2,500 based on scope of work
